

ComMUN II July 2019

Tallulah Costa is a sophomore student at Community High School who is honored to be serving as Secretary General this year at ComMUN II. Tallulah has been participating in Model U.N. for 4 years. She is an active member of the ComMUN team and enjoys travelling to conferences everywhere. Additionally, Tallulah loves learning about politics, history, and women and gender studies. She is very active in the Roanoke community as she has spoken at many political events and is the co-founder of STAAR, a local activism alliance. Tallulah is incredibly excited to lead the secretariat this year and provide an amazing Model U.N. experience.

My name is Yutika Patel and I am this year's Crisis Director. I am a freshman at Community High School. There are many things I love and care about doing, some of them are reading, dancing and doing Model UN. Model UN has changed me in so many ways and has given me the confidence to be who I am today. I have been doing Model UN for two years and have learned so much through going to conferences. I love learning and sharing knowledge. My favorite way to learn is by teaching others, and that is why I am so excited to be one of this year's crisis directors for our Model UN camp!

ComMUN II July 2019

Sam Peppers is a CS alum and rising junior at Community High School. He is a founding member of ComMUN and started attending conferences in the seventh grade. Sam loves learning about global politics and is a great extemporaneous speaker.

Lorraine Nida is a rising junior at Lord Botetourt High School. Lorraine has been attending Model UN conferences since she was in 7th grade. When she is not in school or participating in Model UN, Lorraine plays softball for Botetourt County. Lorraine has a passion for participating in and teaching others about Model UN, and hopes to continue with it through college.

ComMUN II July 2019

Bella Webb-Gardener is a rising junior at Community School and is very excited to be working alongside so many other amazing people to help you achieve more knowledge about MUN. Bella has been doing MUN for the two very short years, but in that time she has managed to be awarded two awards from recent conferences just this year! So Bella is ready to embark on this Model UN journey along with you. She can't wait to help you grow and learn in a controlled, comforting environment. See you this summer!

I am Chloe Hunt and I'm a rising junior at North Cross School. I found Model UN in freshman year after a long interest in politics, international relations, and government. However, I am new to ComMUN! I am a 2019 Dept. of State Youth Ambassador and enjoy learning languages, such as Mandarin and Spanish. (Let me know if you want to practice your linguistic skills! :) I am also interested in musical theatre, 70s music, tennis, education, and track. I hope you have a great camp session, and I cannot wait till meeting all of you.

ComMUN II July 2019

Lucy Burnett is a rising junior at Community High School, and has been attending Model UN conferences since the 7th grade. She hopes to study visual arts in college, and enjoys MUN because of the collaboration, diplomacy, and mutual respect it encourages among delegates. MUN has helped Lucy to build her researching, teamwork, and public speaking skills, and her delegation won an honorable mention at the NAIMUN conference in February 2019.

Morgan Brown is a freshman in high school and begun her MUN journey in late 2017. She has attended three MUN conferences and won the award for Best Position Paper in her committee at Best Delegate Model United Nations Conference in March of 2019. She enjoys Model UN because of the skills it helps her develop such as public speaking, research, writing, and social confidence. She also loves Model UN because of the relationships it has helped her form with new people at conferences, as well as the people on her own team. Morgan is honored to a part of such a dedicated MUN team.

ComMUN II July 2019

I am a freshman at Community High. I enjoy reading, exploring nature, learning about interesting things, and Model UN! I have been involved with MUN since 7th grade. Model UN has helped me with thinking on my feet, and has taught me a lot about foreign relations. It has helped me see other perspectives on the world's problems. It has also taught me how to act in official situations. I have been to many conferences at both the middle school, and high school levels. I hope to continue MUN throughout my whole school career.
